We are producer of Parboiled rice which is produced through the steps.
1) Steaming 2) Soaking
3) Drying 4) De husking
5) Polishing 6) Sorting

De Oiled Rice Bran (DORB)

DORB is one of the product of rice bran, which is widely used in the manufactures of cattle feed, poultry feed and fish feed in most countries, it is also used for manufacturing Sodium Silicate and Silica gel.

Lecithin

Lecithin is used as an ingredient in chocolate. It is used to manufacture medicine and it heals diseases like Alzheimer's & Dementia.

Refined Rice Bran Oil

Rice Bran Oil is rich in monosaturated and polysaturated fats and free of trans-fats. It is known as the heart friendly oil. Rice bran oil helps lower cholesterol because it contains the right amount of oryzanol which is antioxidant. Rice bran oil also contains vitamin E.

OUR PEOPLE, PLACES, AND PASSIONS

The history of **HALDER Venture** dates back to 1924. Mr. B.C. Halder founded the company with exemplary zeal and far sighted approach. Mr. Keshab Kumar Halder, his successor, took charge of the reins in 1995 and founded Shri Jatadhari Rice Mill. Further, in the year 2005, the foundation of P.K. Cereals Pvt. Limited, was laid by Mr. Keshab Kumar Halder. In 2008, P.K. Agri Pvt. Limited was incorporated in the existing business domain. The contribution of Mr. Prabhat Kumar Halder and Mrs. Rekha Halder can never be forgotten along with Mr. Keshab Kumar Halder. The glorious journey of **HALDER Venture** began with a solvent capacity of 250 TPD of rice bran way back in 2011 and one can certainly expect the company to get bigger in the days to come. Our refinery has started production from August 2016, with an installed capacity of 75 TPD for refined rice bran oil. Moreover very shortly we will be an ISO certified company with BRC, Halal and Kosher Check certifications too.
